

CBCC Foundation for Community Wellness

# Wings of Hope

Women's Luncheon

The CBCC Foundation's Annual Women's Luncheon will take place Friday, November 16, 2018 11 am-2pm at Stockdale Country Club. It will be a sellout event featuring holiday sneak peeks from Bakersfield's most exciting boutiques.

Proceeds will benefit those touched by cancer supported by the CBCC Foundation for Community Wellness. Each year we provide close to 2,000 trips for children and adults free of charge to their cancer treatment appointments in Los Angeles, Madera, Bakersfield and San Francisco. We also hold free cancer screenings in the community and provide over \$500,000 worth of financial assistance to patients undergoing treatment.

Each ticket purchased will help provide assistance for a local patient.

We welcome you to reserve your table or seats now. Below is information on our sponsorship levels as well as committed vendors.

With much enthusiasm,

Michelle Avila
